

Foodrinks®

Il BuonGusto è tutto. 

Quality and innovation: *a philosophy that brings us closer to the consumer*

Born and bred in Italy, for over 20 years we have been passionately dedicated to creating innovative solutions for the Food & Beverage industry.

Our vision is clear: to offer sustainable, delicious and cutting-edge products for the consumers of today and tomorrow.

Quality and consumer experience are at the heart of what we do. Each ingredient is carefully selected and our processes undergo meticulous controls to ensure excellence in every product.

We operate in the B2B wholesale market, serving roasteries and top distributors. For us, relationships are key: we aim to build lasting partnerships built on ethics, professionalism and trust, values that underpin all our choices.

Chocup[®] product range

**FOUR SIZES,
ENDLESS POSSIBILITIES**

In cafés, pastry shops,
ice cream parlours and at home

Maxi
120 ml

Medium
60 ml

Mini
30 ml

Mignon
15 ml

N.B. Products in the range can be manufactured with a degree of customisation, subject to request.

Chocup® Maxi 120 ml

 120 ml waffle cup, internally coated in dark Belgian chocolate, an ideal base for cappuccinos or coffees. Chocup® Maxi is excellent with hot and cold milk-based breakfasts and snacks, or with americano coffee, ice cream and desserts.

Chocup® Classic 60 ml

 60 ml waffle cup, internally coated in dark Belgian chocolate: perfect for breakfast or for a sweet snack or nibble.

With its chocolate coating, Chocup® Classic tastes delicious with espresso or coffees such as marocchino and mocha. It also means you don't have to add sugar.

Also perfect for brandy, whisky creams or small portions of ice cream and desserts.

Comes in a handy dispenser containing 40 individually packaged pieces. For cafés, the home or as a gift.

Chocup® Pistà 60 ml

 60 ml waffle cup, internally coated in dark Belgian chocolate and chopped pistachios: perfect for breakfast or for a sweet snack or nibble.

Chocup® Pistà is ideal with mousse, desserts and ice cream. The subtle contrast between the sweetness and saltiness of the pistachio pieces, achieved through the use of Cervia salt, makes Chocup® Pistà even more appealing and crunchy.

The elegance and sophistication of the pistachio enhance the taste of espresso and coffees such as marocchino and mocha.

Comes in a handy dispenser containing 40 individually packaged pieces. For cafés, the home or as a gift.

Crema Fredda Caffè

Single-serve

 The new cold cream coffee in single-serve sachets is highly versatile, suitable for use both at home and in commercial settings such as cafés. The handy powder in the sachet means it is quick to make and perfectly pre-portioned, for an authentic and intense taste.

The cold cream boasts a rich, enveloping flavour.

Each sip is an explosion of fresh coffee aromas, offering an incomparably satisfying experience for coffee lovers.

Available in packs of 50 sachets, to be sold individually at the point of sale.

Cold cream Thai Break

 Traditional coffee meets a new flavour. Enjoy the invigorating taste of ginseng with your dessert or coffee. This ginseng coffee comes in the form of a semi-finished powder which you can use to quickly make sorbets, cold creams or ice creams. A slush machine is required for sorbets and creams and an ice cream machine for ice creams.

PACKAGING (BOXES)

01
